

June 2009 – May 2010 Membership Application

June 2008

To All HMBA Members, Mortgage Lenders, and Associates:

The 2009– 2010 term for the Houston Mortgage Bankers Association has begun and annual membership fees are now due. The membership fees below allow for one primary member and an additional three employees. If you wish to have more than three additional associates join, a fee of \$25.00 is required for each additional person.

HMBA offers two types of memberships, Regular and Associate. Regular members are companies that engage in mortgage lending as their primary function. This would include companies that originate and/or service mortgage loans. All others (vendors, etc.) would be Associate members.

I am looking forward to the upcoming year with great enthusiasm. **HMBA** is working on several projects that will add value to your membership and help you with your business. I encourage you to participate with us in our efforts to strengthen our industry and grow the mortgage business for the profit of all our members.

Please join by completing the application below and return with your check payable to “**HMBA**” to the following:
